SKETCHNOTE A FAVORITE MOVIE

A good way to enter into movie sketchnotes is to start with one of your favorites. Because you know the story, you'll already have a good sense for the setting, characters, and flow.

Create the movie title and cast of characters on the page, and then document the highlights that are meaningful to you.

CHARACTER MATRIX

MEMORABLE SCENES

KEY CONFLICT

In your sketchnote, capture memorable dialogue, cast members, imagery, and feelings you have watching this film.

QUESTIONS

*Did you discover any new details by sketchnoting this movie?
How well were you able to keep pace sketchnoting while the movie played? Did you have to pause?*

CHALLENGE 8.2 C SKETCHNOTE A FAVORITE TV SERIES

Like the movie exercise, start with a favorite TV show, sketchnoting the characters, story, conflict, and resolution. Capture favorite quotes and characters from the show, using drawings and lettering.

Try sketchnoting an entire season and see what elements of the story and character development emerge as you watch and document the details.
